The main topics are: transformation of negative emotions, refining the healthy vibration in the body, strengthening of the life force, development of clarity and an open heart.

Inner Alchemy & Iron Shirt Qigong 23 - 25 October 2021

Saturday 10am - Monday 5pm

Through the exercises we will increase health and expand nourishing life force, reaching each body cell to effect rapid change & balance the emotions. (Prerequisite: Knowledge of the Inner Smile, Healing Sounds)

Step I:

Fusion I of the 5 Elements

“Clearing & dissolving reactive emotions”

This deep cleansing process through meditation purifies energy and condenses it into a pearl, the “**Inner Elixir**”.

Supported through the physical Qigong postures, like “**The Golden Urns**”, we create a good foundation, alignment and a strong centre. We can stay easier centred emotionally, also in difficult situation.

Step II:

Fusion II of the 5 Elements

The “**Inner Elixir**” increases the vibration frequency of the whole organism so an internal regeneration and self-healing process can be initiated from the cellular level.

With this fine and positive feelings we will open meridians and bring a healing frequency into the body, nourishing each cell.

Fusion of the 5 Elements: out of stillness appears motion

IronShirt Qigong practice: “Holding the Golden Urn”

The seminar includes also:

- 1.- **Iron Shirt Qigong** promotes good body structure with the “Golden Phoenix washes it's feathers”.
- 2.- **Tantien Qigong** strengthens a good centre in the lower abdomen and vital energy is stored easier.
- 3.- **Taoyin** gently stretches the tendons and muscles and opens the joints. This releases blockages and liberates stagnated energy.

Taoyin - gentle breathing and stretching exercises

Qigong breathing exercises help to detoxify the body
